

## 2021 IFSC REGISTERED TESTING POOL

See below the Registered Testing Pool of athletes who are subject to out-of-competition testing by the IFSC.

Athletes in this list are required to comply with the whereabouts requirements set out in the IFSC Anti-Doping Rules. This includes providing updated whereabouts filings and being available for testing without prior notice during a designated 60-minute time slot. Athletes not listed below will not be required to make an individual whereabouts submission.

The IFSC Registered Testing Pool is reviewed and updated regularly on an ad-hoc basis and, at the discretion of the IFSC, athletes may be added or removed from the RTP at any given time. Should an athlete's status change, they will be notified in advance of the next whereabouts submission deadline.

Please note that whilst out-of-competition testing shall focus on athletes included in the Registered Testing Pool, the IFSC reserves the right to test any athlete at any given time.
