IFSC – Anti-Doping Report 2017

IFSC as rule test the winners for each discipline at approved IFSC-level competitions.

A selection of the top Athletes from each discipline is requested to provide their Whereabouts through the ADAMS program and they are tested without warning one or more times through the period.

In 2017 IFSC has not issued any Anti-Doping Rule Violations (ADRV), only some Whereabouts warnings have been communicated to Athletes part of the Registered Testing Pool in case their Whereabouts were not sufficiently updated.

Ration between number of tests In-competition and out-of-competition is some 7-13% depending on disciplines.

Below the reported figures :

Type	Lead	Boulder	Speed
Urine (In-competition)	16	14	14
Urine (Out-of-Competition)	2	1	1
