

Route Setter Exchange Program 2021

Goals:

- Support of National Route Setters
- Increase the level of National Route Setters to develop sport-climbing in their country
- Promote communication between National Federations

Procedure:

- 1) Event Organizers keep a spot¹ for an Exchange Route Setter.
- 2) All National Federations (part of IFSC-Europe) can pick Events where they want to nominate a Route Setter
- 3) IFSC-Europe choose one Exchange Route Setter for every event
- 4) IFSC-Europe forwards contact details to the Event Organizers, so that both parties can get in touch.
- 5) The Exchange Route Setters then have the opportunity to gain experience at international Events.

Note: Experience at an international level is crucial in order to be able to join IFSC-Europe Route Setter Courses.

Payment:

- Event Organizer (National Federation) – pays for accommodation and food.
- Federation of the Exchange Route setter pays the fee and travel expenses.

General:

The success of this project depends heavily on the willingness of the Event Organizers and the National Federations to cooperate but also from the development of the pandemic in the respective countries.

Please note that parts of the project or even the project as a whole could change due the points just mentioned.

¹ This spot should not be crucial for the feasibility of the Event
