

## IFSC Events

### Back Of House (BOH)

#### 1. Isolation zone (Relax area and warm-up area)

##### 1.1. Facilities

- Shall allow a direct access to the transit zone (FOP) or a protected transport if at a distance of the FOP
- The isolation zone should be located so that it is not possible to hear what is happening in the competition arena, at a minimum any information from the speakers or other athletes' performance
- The total area of the zone must be a minimum of 400 square meters
- All necessary private toilets and changing facilities separated for male and female Athletes
- Temperature accommodated to not be below 20° C and not above 25 °C
- The isolation zone must contain an area with seating for all Athletes
- The isolation zone must contain an area for aerobic activities
- Event Organiser personnel shall be present as long as an Athlete is present in the isolation zone

##### 1.2. Equipment

- Warm-up wall (please see the specifications included in the [Climbing Wall Requirements](#) document)
- Water must be provided for the Athletes while they are in isolation.
- Start lists for the rounds of the competition, with updated schedule and any other information Athletes and Team official might need to know. Event Organiser personnel shall be present as long as an Athlete is present in the isolation zone
- A separate area should be provided for catering
- Newspapers, climbing magazines and climbing videos may be provided along with other, relevant 'entertainment'
- Any other food or drinks. The Event Organiser should communicate during the technical meeting the type of food available
- Cushioned, matting, bars, chairs for the Athletes to perform stretching and other physical activities

##### 1.3. Access

The isolation zone must be totally secure from all public areas with a continuous scrutiny of all persons entering or leaving the Isolation Zone. Only Athletes, team officials and authorised officials are to be allowed in the zone. Other persons may only be allowed into the isolation zone with permission from the Jury President. Broadcasters/web broadcasters are not allowed to access these zones, unless accompanied by IFSC delegates. Competitors and Team Officials are not allowed to be in possession any electronic / not electronic transmitting or recording devices in the isolation zone. Nor they should have access to any public transmitting equipment. The Event Organiser must have some means to collect, label, store securely and return to the owners after the Athletes have completed the round or in the case of Team Officials when they leave the isolation zone.
