CALLING NOTICE – 2020 IFSC PLENARY ASSEMBLY, 13-14 MARCH 2020 – LIMASSOL, CYPRUS

Dear Members Federations, Dear Friends,

I have the pleasure to invite you to the 2020 IFSC Plenary Assembly. As anticipated last March in Tokyo, the next Plenary Assembly will take place over two days, on 13-14 March 2020 in Limassol, Cyprus.

The in-depth sessions usually scheduled during the Workshops and Pre-Session will be incorporated within the Plenary Assembly agenda.

Attached to this Calling Notice, you will find the first set of information and the link to register. Each delegate is kindly requested to submit his/her individual registration by Friday 17th January 2020, 6:00pm CET.

In compliance with Article 21 of the IFSC Statutes, please consider the following deadlines:

- The provisional agenda with a short explanation of the topics will be distributed two months before the date of the PA, by 13 January 2020;
- Items presented by IFSC Members are to be sent to the IFSC at least six (6) weeks before the PA, by 31 January 2020;
- The full agenda, including the documents, will be sent to all Members at least 28 days before the PA, by 14 February 2020.

While the process to award the 2023 World Championships has already started and the hosting city election is expected in Limassol, we are looking forward to receiving applications for the host of the 2022 Plenary Assembly: member Federations may submit a proposal to administration@ifsc-climbing.org by and no later than 31st January 2020.

We look forward to seeing you in Cyprus, to reunite and begin together the climb to the Olympic year.

Sincerely,

Marco Maria Sclaris

IFSC President
