

INTERNATIONAL FEDERATION OF SPORT CLIMBING

IFSC Member Federations

Torino, 14 December 2020

Dear Presidents, dear Members, dear Friends,

It is with great pleasure that I hereby officially call the XVII IFSC General Assembly. Our next meeting will take place on 23-24 April 2021 in Paris, France, hosted by our French Member FFME – Fédération Française Montagne et Escalade.

As the current Executive Board and Commissions formed in 2017 are on their way to conclude this four-year term, I hereby declare open the candidatures for the next elections to be held on the second day of the XVII IFSC General Assembly, Saturday 24 April 2021. You will find as an attachment the instructions to propose candidates and important dates related to the elections.

I would like to take this opportunity to give a brief overview ahead of the upcoming NF Call scheduled for 12:00 PM UTC+1 on Friday 18 December 2020. As this extraordinary year comes to a close, I will cover some important updates and introduce some of the short-term projects that we are planning to launch both from the sport and development perspectives to meet the needs of the athletes and of the national federations.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marco Sclaris', written in a cursive style.
