IFSC Officials Nomination Criteria for Tokyo 2020 Olympic Games

APPROVED BY THE IFSC EXECUTIVE BOARD ON 23/10/2019

Principles

1. Excellence
The work of IFSC Officials is crucial for the success and running of competitions. IFSC Officials represent the highest standards in the field of Sport Climbing. IFSC Jury Presidents, Judges, and Routesetters are selected internationally for their professionalism, and strong competence in their respective fields.

2. Internationality, gender equality, youth
Following the Olympic Mission, the IFSC believes in the practice of sport climbing by all people in society, regardless of gender, age, social background or economic status. Acting as a role model, from 2018 the IFSC selects its Officials according to the following principles:
   - Fair balance across international representation of member federations
   - Gender equality
   - Support young officials by mentoring practice

Evaluation and Selection

3. Continuous Assessment
Only IFSC Officials having a positive outcome of the yearly assessment should be considered in the pool of possible candidate.

During the season of events, Directors of the Judges and Routesetters Commissions, in cooperation with the IFSC Sport Director and IFSC Vice President Sport / Events, collect reports (here) from IFSC Officials to both assess quality of the events and conduct peer-reviews. The areas evaluated include, but are not limited to:
