YOUTH AND PARACLIMBING

The yearly IFSC Youth World Championships will be organised in the United States of America, in a city still to be defined, between 22 and 31 August. Paraclimbing's 2022 competition calendar will be presented later in 2021.

IFSC President Marco Sclaris commented:

“The year 2021 has been a non-stop challenge, for us and for the whole world. However, we made our debut at the most unique edition of the Olympic Games, and, eventually, we succeeded organizing a number of great IFSC competitions. The calendar of the 2022 season is not just a mere list of dates, locations, and competitions. It is a symbol of hope, and we are very much looking forward to bringing the Sport Climbing world united again, with no exceptions.”
